WHERE ARE THE MILLINIUM DEVELOPMENT GOALS
BY MUKUNDANE B ALBERT
Stuck in poverty traps
Eaten up by hungry souls
Hidden the population explosion
Suffocated by malnutrition
Where are the MDGs?
Absorbed in the youth programs
Merged in food production
Graded in examinations tasks
Blocked by illiteracy pockets
Where are the MDGs?
Marginalized by gender conflicts
Slow down by the authorities
Reduced by traditional norms
Lowered by miss presentation poor women
Where are the MDGs?
Born in floods programmes
Empowering in single mothers
Threatened by child mortality
Gaining momentum by nutrition ingredients
Where are the MDGs?
Accommodated in health initiatives
Insured in caring agencies
 Injected contraception pills
Improving in maternal health centers
Where are the MDGS?
Persistent in the infection
Expanding in life saving antiretroviral
Marginalized by diseases
Treated in global health units
Where are the MDGs?
Hiding in climate change
Comfleged in environment
Sustained by the protocols and resolutions
Protected in the environment
Where are the MDGs
Joint ventured in the economic partnership
Valued in the dollars
Minute in the conference resolution
Managed and maintained by resolution
Where are the MDGs?

WHERE ARE THE SAFE PRIORITIES ON NUTRITION IN AFRICA?

BY MUKUNDANE B ALBERT

Born of chaos of global hunger and disease
Exodus of survival is at the zenith
Stranded, stuck sighing for food
Scenes of malnutrition in silent valley
Hard road to travel and long way to go
Where are the safe priorities on nutrition in Africa?
Un welcome revealing on the theatre tables
Tortured on the death rows and misconceptions
Need for funding and guidance is yarning
Accounted with life spans
Centered amidst competition
Where are the safe priorities on nutrition in Africa?
Are they established by culture
Managed by private /public partnerships
Integrated into care programs
Decentralized units of locally available ingredients
Inherited norms and values of thy mother land
Where are the safe priorities on nutrition in Africa?
Oh innovative nutritionist seeing the rays of hope
Advocates of CAADP celebrating the growth levels
Conference resolutions being highlighted
Capacity building and training are progressing
Taking charge on priorities on nutrition in Africa
Rising ye people of the better world
Full of victory and food powered for next generation
Serving and supported by divine intervention
Protecting against forces of hungry nature and environment
Taking charge of nutrition and welfare
